**Re: Support for nomination of the project "Transparent Town" for the United Nations Public Service Awards**

Dear Mr Hrnčiar,

I followed with great interest the anticorruption activities and measures introduced in the town Martin within the framework of the project "Transparent Town", which lead to substantial improvements in combating corruption and in delivery of public services.

I therefore fully support the nomination of the municipality of the town Martin with the project "Transparent Town" for the United Nations Public Service Awards.

Yours Sincerely,

Miklos Marshall
